

LITTLE ROCK

SCHOOL DISTRICT

OFFICE OF THE SUPERINTENDENT

January 17, 2023

TO: All Principals and Administrators

FROM: Jermall D. Wright, Ed.D., Superintendent of Schools

SUBJECT: *Early Notice! LRSD Job Fair*

Little Rock School District will re-convene its ***Annual Job Fair on Saturday, March 11, 2023***. The event will convene at the Little Rock Southwest High School. Principals and Administrators should conduct screening interviews. Our Job Fair is the perfect opportunity for you to sell the Little Rock School District and your local school, in particular, to our excellent candidates!

There are excellent, talented, and highly effective teachers and we need to keep those we have and recruit others to come to our classrooms and schools. Getting and keeping superior educators will require aggressive and progressive recruiting efforts, forward-looking administration practices, attention to workforce diversity, viable feedback systems, total employee involvement, and unrelenting teamwork. A primary goal is to vigorously recruit qualified staff to address the need for equity in all staffing areas.

In a separate meeting area apart from the teacher applicants meeting in the main arena, LRSD's support staff will meet and interview non-certified applicants for future employment possibilities.

Please expect the Job Fair details forwarded by the Human Resources Department. In addition, we request your immediate attention for early scheduling. The format will be the same as in past years. Principals who have supported LRSD fairs in the past have been impressed by the quality of the job fair and the preparation of the candidates they have seen.

We must proactively identify and hire the *best-qualified applicants* for available positions, especially in hard-to-staff subject areas. Therefore, please mark your calendar and support the LRSD Job Fair by representing your school, department, or division.
