April 25, 2024-April 26, 2024

9:00AM-2:00PM

Little Rock Workforce

5401 S. University Ave.

Little Rock, AR. 72209

The Mission of Care above all care is to provide home and community-based programs that target populations such as people with Intellectual/Developmental Disabilities, and/or Mental Illness. Our mission is to assist in the planning and implementation of programs and activities to help those individuals set and reach attainable goals. Care Above All Care's main objective is to increase independence by improving their skills and ability to live, work, socialize, and integrate into the community.
