

CITY OF LITTLE ROCK

The Department of Community Programs is excited to partner with the 5th Annual National HBCU Black Wall Street Career Fest. The 2026 theme, “HBCU + A.I.,” reflects a forward-thinking focus on student engagement, innovation, and connection through a variety of AI-driven modalities.

The 2-Day Event is scheduled for **Friday, April 17th at Arkansas Baptist College** and **Saturday, April 18th at the Hall of Industry**. This partnership continues to grow in meaningful ways, and together we are strengthening this Career Positioning Resource (CPR) not only for HBCU students but also for all residents, employers, CEOs, graduate programs, entrepreneurs, military pathways, and community stakeholders (that includes you).

Here is how you can get involved:

- Share this information with your network
- Register as a Hiring Employer or Vendor:
<https://www.surveymonkey.com/r/LF8M8KZ>
- Plan to participate in Career Development Workshops & Demonstrations
- Attend to experience Music, Culture, Arts, & Food
