

# HOST A SUMMER INTERN

The **Summer Youth Employment Opportunity** provides teens and young adults with on-the-job training regarding work readiness, career exploration, financial literacy, and educational opportunities.

These activities enhance the participants' exposure to the workforce, increasing their self-confidence and improving their opportunity for **long-term success**.

This is best achieved through strategic placements at **quality worksites**. **Apply now!**

Follow the City of Little Rock and stay tuned for upcoming dates!
