

Record Sealing Clinic & Resource Fair

What is Criminal Record Sealing?

Sealing a criminal record hides it from the public and most background checks but doesn't erase it. This can make finding jobs and housing easier, allowing you to legally state you haven't been convicted or arrested. Note that law enforcement and certain agencies can still access it.

Sat. July 11, 2026

10 AM - 1 PM

St. Paul Baptist Church
2603 Commerce
Little Rock, AR 72206
